

# St Michael's Reads the Acts and Epistles of the Apostles

Starting in January, come along with the Apostles and the early church as they learn and grow and follow in the Way of Jesus and spread God's Kingdom.

## Daily Reading

The reading plan is on the back of this page. Choose the translation of your choice and go for it!

## Questions to Consider

For each day's reading, you might take some time to consider the following questions:

- Events – What happened? If relevant, who did it? Why? What was the result/impact of the action? What happened just before this event?
- Characters – Think through each character in the passage – not just main characters, but supporting and background ones as well (silent witnesses). What do we know about them? What are they like? How has their life changed (or not)? How have they changed (or not)?
- Instructions – What kinds of actions, attitudes, ideas are the letters advising for or against? Why might these be important to the church in that time and context? Are any of these relevant in our time and context? How are they the same? How are they different?
- What surprised you the most in the passage?
- What bothered you in the passage?
- What did this passage show you about Jesus?

## Discussion Group

This reading plan is designed to be done on your own, but it can also be fun to discuss what you are reading with a group. Everyone is welcome to join our zoom discussion group on Tuesdays from 6:30-8 pm. The link is on the website, or you can contact the church office.
